

*Wives Support
Group Ministry Ltd*

is interdenominational and offers a friendly, non-threatening, open and caring atmosphere for Christian women married to men who do not yet know the Lord.

"Yes, our husbands are wonderful, but we need this kind of Christian relationship. Wives Support Group changed my life tremendously... Negative circumstances are being changed into positive testimonies... I have learnt to pray for my husband and I do believe that God is answering my prayers."

"Now I know I'm not alone."

"To be able to encourage and pray together for our families, so openly, learning how to live, and letting God change me, so I can love my husband unconditionally... as God loves me... And leaving it in His hands is so freeing."

In the average church, there are more women than men. Half of these women probably come to church without a male companion.

Many are wives who have a husband at home who does not share her Christian faith; her faith and trust in the Lord Jesus Christ is important to her, but at home she has to keep it to herself. Possibly you are one of them.

**IF THIS IS YOUR SITUATION...
YOU ARE NOT ALONE**

Wives Support Group Ministry Ltd

was formed in 1992 in Queensland, Australia, when the Lord gave Lorraine Addison a vision of the special needs of wives in an unequally-yoked situation.

The Lord has blessed and grown that ministry which now ministers to women in over 80 churches in Australia, and now also in the UK.

We offer to establish support groups in areas where there are Christian women married to husbands who do not yet know the Lord. We train facilitators to strengthen these women and encourage them in God's Word and through prayer.

Our Agreement

- Interdenominational
- Confidentiality
- Promotes loyalty to husbands

Our Mandate

- Edify the body of Christ (the Christian woman) so that she is built up in the Word, single minded in loving God, being healed and running with vision and purpose.
- Evangelise the lost (her husband and children) through relationship building, reconciliation and prayer.
- Bring awareness to Pastors and churches of the unequally yoked woman's specific and unique felt needs, so that she is nurtured and grown into maturity.

God's word for us

"Wives, in the same way be submissive to your husbands so that, if any of them do not believe the Word, they may be won over without words by the behaviour of their wives, when they see the purity and reverence of your lives. Your beauty should be that of your inner self, the unfading beauty of a gentle and quiet spirit which is of great worth in God's sight."

1 Peter 3:1-4

Our Mission Statement

- To foster the spiritual and emotional maturity of these women through the study of God's Word, prayer and sharing with one another in a confidential environment.
- To encourage women to acknowledge their unhealed hurts and unmet needs and to bring them into wholeness.
- To equip women to live more effectively for CHRIST and witness to their husbands and families by their godly lives.
- To encourage these women to reach out in support to other Christian women living in the same circumstances as they are.

"... to study God's Word and receive His agape love has been the turning point in my life and in my marriage and in my home."

"I came to a place of loving God first, trusting Him with all my heart... I let go of striving and fear and learnt to just rest in His arms... I think that my resting in the Lord did help my husband to also rest in Him."
