## Wives Support Group Ministry Ltd

In the average church, there are more women than men. Half of these women probably come to church without a male companion.

Many are wives who have a husband at home who does not share her Christian faith; her faith and trust in the Lord Jesus Christ is important to her, but at home she has to keep it to herself. Possibly you are one of them.

**If this is your situation...  
you are not alone**

**The Wives Support Group Ltd** was formed in 1992 in Qld Australia, when the Lord gave Lorraine Addison a vision of the special needs of wives in an unequally-yoked situation.

The Lord has blessed and grown that ministry which now ministers to women in over 80 churches in Australia, and now also in the UK.

We offer to establish support groups in areas where there are Christian women married to husbands who do not yet know the Lord. We train facilitators to strengthen these women and encourage them in God's Word and through prayer.

### **Our Mandate is threefold:**

- Build the body of Christ ( the Christian woman)
- Evangelise the lost (the husband/children)
- To bring awareness of the specific needs of these women to Pastors and Churches

### **GOD'S WORD FOR US:**

“Wives, in the same way be submissive to your husbands so that, if any of them do not believe the Word, they may be won over without words by the behaviour of their wives, when they see the purity and reverence of your lives. Your beauty should be that of your inner self, the unfading beauty of a gentle and quiet spirit which is of great worth in God's sight.”

1Peter 3:1-4

### **Our Agreement:**

- Interdenominational
- Confidentiality
- Promotes loyalty to husbands

### **OUR MISSION STATEMENT:**

1. To foster the spiritual and emotional maturity of these women through the study of God's Word, prayer and sharing with one another in a confidential environment.
2. To encourage women to acknowledge their unhealed hurts and unmet needs and to bring them into wholeness.
3. To equip women to live more effectively for CHRIST and witness to their husbands and families by their Godly lives.
4. To encourage these women to reach out in support to other Christian women living in similar circumstances as they are.
